2027 CRBE SUMMIT WEST

Innovations in Controlled Release, Bioavailability Enhancement & Continuous Manufacturing Summit West

Innovations in controlled release and bioavailability enhancement of small molecules and large biologics delivery systems

WHEN
Feb 23–24, 2027

WHERE
Hilton La Jolla Torrey Pines
San Diego, CA

ONLINE
uberevents.io/CRBEWEST

NOW IN ITS 13TH YEAR

THE NEXT GENERATION OF DRUG FORMULATION, MANUFACTURING & DELIVERY IS HERE...

Are you a pioneer in the drug product development community? Would your team like to educate and engage new customers, extend brand awareness or strengthen existing relationships?

Designed by industry, for industry, the 2027 CRBE Summit West is a fun, highly interactive and engaging forum of **160+ senior drug product development attendees**. The convergence of controlled release (CR), bioavailability enhancement (BE) and large molecule drug product development is reshaping the landscape of the healthcare industry. These three interrelated areas are driving innovation and addressing critical challenges in drug delivery and manufacturing.

A big driver for our drug product development attendees is to connect with external CDMOs, as well as specialty software, technology and instrumentation companies servicing their development and manufacturing needs.

> **Are you ready to do more for your sales pipeline in 2 fun days of networking than the whole rest of the year?**

PARTNERING WITH THE 2027 SUMMIT WILL HELP YOU

- **Enhance commercial relationships** with existing clients through platform interaction, meetings and discussing the latest opportunities
- **Raise your brand awareness** to a captive, engaged audience of decision-makers
- **Elevate your profile** amongst industry peers and build a contact base through 1-2-1 networking sessions
- **Generate direct new business** from senior-level attendees currently sourcing drug product development solutions

2027'S SUMMIT IN NUMBERS

TWO DAYS. ONE FOCUSED COMMUNITY.

40+
Industry-led speakers

160+
Drug product attendees

2
Parallel streams

12
Networking hours

18+
CDMO, formulation and CMC solution providers

THE SUMMIT EXPERIENCE

2 full tracks of technical talks, panels and thought-provoking discussion sessions

Network with 100s of senior development, formulation and manufacturing attendees and solution providers

Exhibits, banquet lunches and dinners, workshops, champagne giveaways and networking receptions

On-demand access to all sessions post-Summit, so attendees can relive the best moments

A community of drug product development experts that opens doors long after the Summit

WHAT'S NEW FOR 2027?

MORE WAYS TO CONNECT & BE SEEN

DUAL Controlled Release & Bioavailability Streams interlinked with large biologics delivery systems

2 Drinks Receptions	**18** Exhibitors & CDMO Solution-Providers
1-2-1 Attendee – Sponsor Meetings options	**12** Agency showcase / spotlight solutions sessions for attendees

> Face time with the people who matter: on stage, on the exhibit floor, over banquet lunches and dinners, and at the networking receptions.

PROGRAM THEMES · 2 PARALLEL STREAMS

SMALL MOLECULES TO LARGE BIOLOGICS

Two tracks of technical talks, panels and discussions covering the formulation, product development and delivery technologies improving drug product performance and manufacturing capabilities.

CONTROLLED & MODIFIED RELEASE 01

- Oral Drug Delivery Systems
- Long Acting Injectable Drug Delivery Systems
- Transdermal Drug Delivery Systems
- Modified release coating systems
- Biodegradable and Biocompatible Polymers
- Nanotechnology in Controlled Release
- Pulmonary Drug Delivery Systems
- The Role of Controlled Release in Optimizing Therapeutic Outcomes
- Patient Centric / Pediatric Dose Development
- 3D Printing in Controlled and Modified Release
- Regulatory considerations
- Continuous manufacturing of Controlled and Modified Release products
- Continuous modified release coating systems
- Continuous long-acting microsphere manufacturing

BIOAVAILABILITY ENHANCEMENT 02

- Formulation strategies for improved absorption of poorly soluble and/or poorly permeable drugs
- Solubility and dissolution enhancement techniques:
  - Lipid-Based formulations
  - Micronization
  - Nanomedicine
  - Nanocarriers
  - Spray Dried Dispersions (SDD)
  - Hot Melt Extrusion (HME)
  - Kinetisol
- Biopharmaceutics classification system (BCS) and its implications
- In vitro-in vivo correlations (IVIVCs)
- Continuous manufacturing technologies for Bioavailability Enhancement

LARGE MOLECULE BIOLOGICS

03

- Overcoming Gastrointestinal (GI) Barriers
- Oral delivery of peptides and proteins
- Permeation Enhancers
- Nanoparticle and Microparticle Carriers
- Mucoadhesive and Targeted Delivery Systems
- Formulation Approaches
- Receptor-Mediated Transport
- Novel Delivery Devices
- Stability and Manufacturing Challenges
- Clinical and Regulatory Considerations
- Recent Advances and Future Directions
- Oral delivery of GLP-1 receptor agonists

A TASTE OF THE FEBRUARY 2026 PROGRAM

LEARN FROM THE SCIENTISTS SHAPING DRUG DELIVERY

KEYNOTE

Novel Drug Delivery strategies to Enhance Bioavailability of Large Biologics & Nucleic Acid Therapeutics

Stephen Buckley, PhD · Novo Nordisk

KEYNOTE

Cellular Nanoparticles: Design, Fabrication, and Biomedical Applications

Liangfang Zhang, PhD · UC San Diego

LARGE MOLECULES

Oral Delivery of Proteins and Peptides: From Molecular Design to Manufacture

Karthik Nagapudi, PhD · Genentech

LONG-ACTING

Long-Acting Injectable Products – Design and Biopharmaceutics Opportunities

Chong-Hui Gu, PhD · Tenvie Therapeutics

BIOLOGICS

Enhancing the Stability of ADCs by Traversing the Formulation Design Space

Sasha Ebrahimi, PhD · GlaxoSmithKline

NUCLEIC ACIDS

Escape from the Endosome - 2026: Mechanisms of Intracellular Delivery of Nucleic Acid Polymers

Ismail Hafez, PhD · Ionis Pharmaceuticals

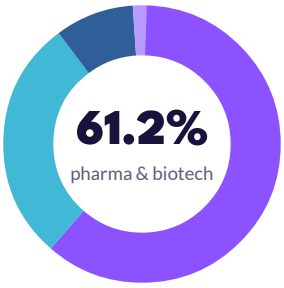

Sessions shown are from the February 2026 program. The 2027 agenda will be announced as speakers are confirmed. **Put your platform on stage with a speaking sponsorship – see page 11.**

WHO YOU'LL MEET

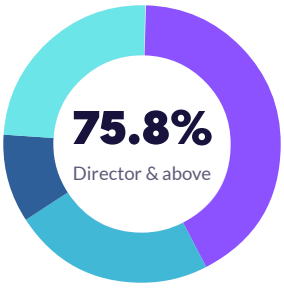

SENIOR DECISION-MAKERS, SOURCING SOLUTIONS

ATTENDEE MAKEUP

Pharma & Biotech	61.2%
CDMOs	28.1%
Academic	9.1%
Other	1.7%

PHARMA SENIORITY

Director	42.2%
VP	23.3%
C-suite (CXO)	10.3%
Manager	24.1%

ORGANIZATIONS AT RECENT SUMMITS INCLUDE

AbbVie · Amgen · AstraZeneca · Bayer · Boehringer Ingelheim · BMS · Eli Lilly · Genentech · Gilead · GSK · Merck · Novartis · Otsuka · Pfizer · Sanofi · Takeda · Teva · Vertex

SUMMIT MOMENTS

WHERE RELATIONSHIPS ARE BUILT

2026 SPONSORS & EXHIBITORS

Trusted by drug development's leading CDMOs and technology providers. 2027 partners to be announced.

Catalent Pharma Services · seran · bendbioscience · AUSTINPx PHARMACEUTICS / MANUFACTURING

Lubrizol · GATTEFOSSÉ · ASCENDIA PHARMACEUTICAL SOLUTIONS · Oakwood labs

Bora Pharmaceuticals · ONi · sotax · AbbVie

THE VENUE

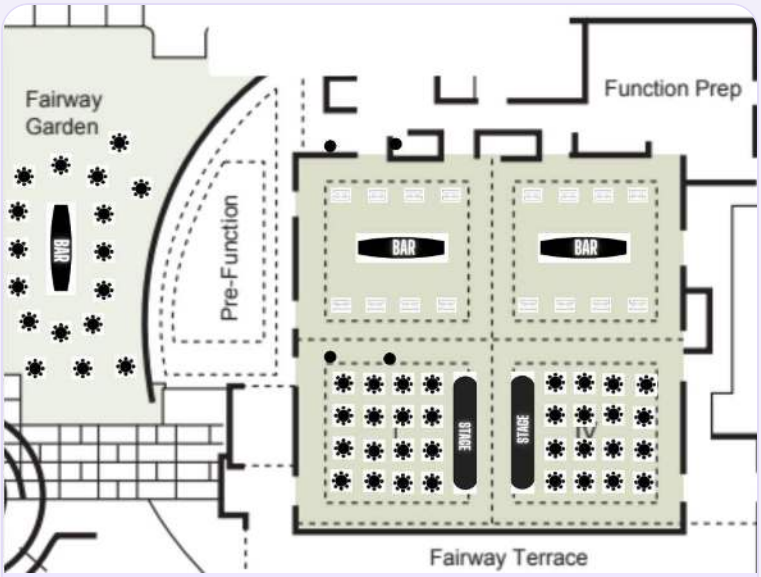

HILTON LA JOLLA TORREY PINES

The 2027 CRBE Summit West returns to San Diego this February, with sessions, exhibits and networking in the hotel's Fairway Ballroom, Foyer and Garden.

DATES
February 23–24, 2027

ADDRESS
10950 North Torrey Pines Road
San Diego, CA 92037

SPACES
Fairway Ballroom, Foyer & Garden

Floorplan · Fairway Ballroom, Foyer and Garden. 2026 layout shown for reference.

OPPORTUNITIES

SPONSORSHIP AT A GLANCE

OPPORTUNITY	FORMAT	AVAILABILITY	PRICE
PRESENTING			
Keynote / General Session	30 minutes	2 remaining	PRICE TBC
Stream (CR or Bioav Stream) Speaking	30 minutes	4 remaining	$14,950 - $16,950
Lead / Contribute on a Panel	30 minutes	3 remaining	10,450 - $12,950
CDMO Spotlight / Tech Demo	15 minutes	6 remaining	$8,950 - $10,850
Pre-Summit Workshop session	3 Hours	2 remaining	$10,950
EXHIBITING			
2 Pass Exhibit Booth Package (8 x 10 Exhibit Booth Space)	Fairway Ballroom	16 Available	$7950
CDMO ATTENDANCE			
Regular Attendance (Non exhibit)	–	–	$2500
NETWORKING			
Branded Drinks Reception Sponsorship	–	2 remaining	$10,950
Private Dinner / Reception	–	1 remaining	PRICE TBC
Branded Lunch Sponsorship	–	2 remaining	$9,250
Hosted Roundtable / Workshop	–	1 available	$12,450
1-2-1 Attendee Meetings - Either 5 or 10 meeting Packages	–	Limited Availability Remaining	PRICE TBC
BRANDING			
Attendee Badge Sponsor	–	One Remaining	$11,950
WiFi Sponsor	–	One Remaining	$9,950
Tote Bag Sponsor	–	One Remaining	$9,250
Video Ad Sponsor	–	4 Remaining	$6,250
Branded Waterbottle Sponsor	–	One Remaining	$9,250
Lanyard Sponsor	–	One Remaining	$9,250
Registration Pack Giveaway Sponsor	–	Two Remaining	$7,750

DISCOUNTED BUNDLE UPGRADES

- **Include 8x10 exhibit space - $2,850** (Presenting)
- **Exhibit Booth Space - $2850** (Networking)
- **Hosted networking reception sponsor - $7250** (Exhibit)
- **65% off select branded item packages** (Presenting, Exhibit & Networking)

Pricing may vary and booth location selections available on first come, first serve basis. Full package inclusions on the following pages.

OPPORTUNITIES

PRESENTING

Keynote / General Session
30 minutes

2 REMAINING — PRICE TBC

Stream (CR or Bioav Stream) Speaking
30 minutes

4 REMAINING — $14,950 - $16,950

Lead / Contribute on a Panel
30 minutes

3 REMAINING — 10,450 - $12,950

CDMO Spotlight / Tech Demo
15 minutes

6 REMAINING — $8,950 - $10,850

Pre-Summit Workshop session
3 Hours

2 REMAINING — $10,950

ALL PACKAGES INCLUDE

- 2 attendee passes (minimum)
- Pre-Summit attendees details
- Recorded / edited session

DISCOUNTED BUNDLE UPGRADES

- Include 8x10 exhibit space - $2,850
- 65% off select branded item packages

OPPORTUNITIES

EXHIBITING & CDMO ATTENDANCE

EXHIBITING

8 x 10 Exhibit Booth Space

(Choice of location in Fairway Ballroom - 16 Available)

2 Pass Exhibit Booth Package

16 AVAILABLE

$7950

Pricing may vary and booth location selections available on first come, first serve basis

CDMO ATTENDANCE

Regular Attendance (Non exhibit)

For CDMOs and solution providers attending without a booth.

$2500

EXHIBIT PACKAGES INCLUDE :

- 2 attendee passes
- Pre-Summit attendees details
- Onsite & Digital Branding

DISCOUNTED BUNDLE UPGRADES

- 65% off select branded item packages
- Hosted networking reception sponsor - $7250
